

IELTS Exam Preparation Course Outline

IELTS exam preparation course is delivered by qualified, carefully selected and dedicated teachers who prepare lessons based on their learners' needs, ensuring that you improve your English and practice the exam skills at the same time. The IELTS exam preparation course includes grammar, vocabulary, pronunciation and topical communication skills, as well as past exam paper practice and mock exams. IELTS is designed to measure the candidate's ability to use English language in an academic environment.

Classroom training based on practical application on assignments/project after every session.
